DRAFT CAUSES ENROLLMENT DROP

Play Tryouts To Be Held Monday

Try-outs for the fall play, Bachelor Born, will be held Monday, September 29, from 4 to 6 P. M. in the auditorium. There are ample opportunities for all students to try out for parts. Male and female characters range from 18 to 60 years of age.

Oral reading of the play will be done in Room 134 from 4 to 6 o'clock on Wednesday, September 24 (today). All interested please come. Eight copies of the play will be on reserve in the library Thursday afternoon, Friday, and Saturday.

Typed parts for characters will be given out by Mr. Karshner on Thursday and Friday of this week. If interested, please see him.

Men's Association Elects New Head

Len Longholm was elected president of the Men's Association of Humboldt State when the group met yesterday at 11:30 a. m. Longholm succeeds George Hartman, last year's president.

Fred Smith was elected vice-president, and Paul Thorn was elected secretary-treasurer. The biggest affair sponsored by the Men's Association annually is the Barn Dance.

Murphy Appointed Men's Advisor by President Gist

Official announcement has been made by President Arthur S. Gist that Mr. George Murphy has been selected by the administration to succeed Dr. Garff B. Wilson as men's advisor.

Mr. Murphy has also been appointed faculty advisor to the Men's Association.

NEW HEAD RESIDENT

Mr. John Van Duzer is now head resident of the men's unit at Nelson Hall, succeeding Dr. Garff B. Wilson, who is now teaching at the University of California.

NEW LIBRARIAN

The College Elementary School Library now employs Miss Nance O'Neal, who is a trained children's librarian.

Three Join College Faculty

Prue Illingworth To Teach Modern Dance, Sports

Miss Prue Illingworth of Los Angeles has come to Humboldt State College as a new instructor in the physical education department. She will teach beginning modern dance lessons besides classes in tennis, badminton, clogging, and archery.

Miss Illingworth is well trained in her field, a graduate of the University of Southern California. She holds a bachelor's degree in education and special secondary credential in physical education. For the past two years she has been a member of the Redlands high school faculty where she was in charge of girls' tennis classes.

MODERN DANCE WORK

The new instructor has done considerable private work in modern dance, having studied the Martha Graham technique with Frieda Flyer. She is also a student of the Virginia Hall Johnson and Lester Horton studios of Los Angeles. In addition, she completed a summer's work at UCLA entirely in modern dance at the school of education.

Miss Illingworth belongs to several honorary organizations. She is a member of Pi Lambda Theta, Women's Education honorary society, Delta Psi Kappa, physical education honorary society, and Phi Kappa Phi, national scholarship honorary group.

Mutshito To Give Sport Dance On October 3.

At the regular meeting of the Mutshito Club last Wednesday noon, plans for the Mutshito Fall Sport Dance were discussed. It was decided that the dance would be held on Friday, October 3, in the big gym.

Mary Westbrook and Sarah Southworth were appointed co-chairmen in charge of the dance. Committee are: Decorations—Gilberta Negro, chairman; Alice Wilkinson, Muriel Yaley, Phyllis Grey. Tickets—Carolyn Crane and Vivienne Nelson. Music—Phyllis Grey. Gym—Hazel Hagne. Clean-up—Jean Schussman.

Donald Karshner Now Head of Speech, Drama

DONALD KARSHNER

Above is pictured Donald Karshner, who has succeeded Dr. Garff B. Wilson as head of the Department of Dramatics and speech at Humboldt.

With a strong record of public and private school experience and training, Mr. Karshner comes here from Menlo School, which is affiliated with Stanford University, where he has been head of a speech correction clinic the past year. For three years he was a teaching fellow in a newly formed Stanford Language Arts Investigation at Stanford and upon this investigation he will base his doctorate dissertation. He expects to receive his doctor's degree this

Former Humboldt Student Becomes HSC Instructor

Charles Fulkerson, a former student at Humboldt State, and graduate of San Jose State College, began his duties as musical instructor with opening of the fall semester at Humboldt. He will teach instrument classes, piano reading, band, and will assist Mr. Edmund Jeffers with the college A Cappella Choir. He will also act as director of the children's orchestra at the college elementary school.

Mr. Fulkerson attended Humboldt State from 1935 to 1938; and was very active musically. Later he transferred to San Jose College, receiving his A. B. Degree and Secondary Credential in music last year. At the same time he created for himself an outstanding record in his field.

LIGHT OPERA

Last fall Mr. Fulkerson directed the music for the San Jose Light Opera Association. In April of this year he appeared as piano soloist with the Annual Evening of Chamber Music at San Jose State. He is a versatile musician with wide experience. He plays several instruments, including the flute and piano. The choir of Mr. Fulkerson in the music department has been enthusiastically received by students and faculty alike.

His student teaching was done this year in the Monterey High School, at Monterey, California. This summer he was choral director of the Beach Festival at Carmel, where he worked with Father Finn, world-famed conductor.

WIFE MUSICAL TOO

Mrs. Fulkerson is also a musician, having studied the cello under Willem Debe of San Francisco. She also took part in the Beach Festival at Carmel, and has been 'cellist in the San Jose College Symphony and the Civic Orchestra of San Jose.

HSC Drill Team Well Underway

The college women's drill team is well underway with ten members, four of whom have had previous experience. These girls are being drilled in high stepping, marching, and twirling. All the girls will be dressed in flashy satin costumes in Humboldt's colors, green and gold.

The members are: Frances Prether, Doris Hanson, Lena Taylor, Jean Roth, Frances Grimsbach, Barbara Conoly, Faith Adams, Mary Boddeciun, Virginia Frey, Millie Anna Roger.

ENROLLMENT DECREASES 10 PER CENT

Registration has reached a total of 384 students enrolled at Humboldt State for the 1941 fall semester. This enrollment shows a decrease of approximately ten per cent in comparison to the 1941 Fall semester registration of 403 students, but it is above the 1931 total of 358.

More new students took the college aptitude test than in other years. The balance between men and women students has been maintained, with a few more women than men.

Mrs. Myrtle McKittrick, registrar, attributes the decrease in attendance to the draft's claiming so many upperclassmen. However, she states that Humboldt State has not lost as many students in proportion as has the University of California.

New Faculty, Rally Featured At Student Assembly

In the absence of Forrest Waters, Associated Students' president, vice-president Tom Hansen called to order the first student body meeting of the year Tuesday. Hansen introduced President Arthur Gist, whose text of his "hour-and-a-half speech shortened to five minutes" was "Our Tomorrow will be what we make it today."

New faculty members introduced were: Mr. Charles Fulkerson, music department; Mr. Donald Karshner, speech and drama; Miss Nance O'Neal, elementary school librarian; Miss Prue Illingworth, physical education. Mrs. Karshner and Mrs. Fulkerson were also introduced, as both are trained in their husbands' work and may eventually do part time instruction at Humboldt.

Following President Gist's welcome to the freshmen, Eddie Rused took over and led the student body pep rally. Bill Lee spoke on the coming football game with San Francisco State Saturday, and Coach Earl Hoos described the team's chances. Rod Balcher urged all students to help put over the season football ticket drive. The meeting closed with the singing of the Alma Mater.

When you pay your student body fees, do you ever stop to consider just where your money goes? Have you ever actually wondered how the Funds of the Associated Students are apportioned?

Soon you will find in your box a copy of the new budget. Don't go through the usual procedure of putting it away with no more than a glance, intending to read it over during that spare moment that never comes. This budget is of vital interest to you. Study it—go over it carefully. Think about each item, so that when it comes to voting on the budget you won't vote the way the fellow next to you votes just because it makes no difference to you. Know what you're voting on and voting for. Learn where the student body funds are going, and why. Try it.

BOIL IT

To the Editor:

Wouldn't it be better if Humboldt State would put two or three GOOD Majorettes on the field at games, instead of a herd of untrained girls, half of whom haven't seen a baton before??? It is my opinion that quality is much preferable to quantity, or to the leaders of this movement believe, rather, in "safety in numbers".

Dear Editor:

The fish pond really looks lousy. A little straight cleaning out might be wise before the fish die of scurvy. Some greenery would help matters no end,—the stuff in the pond now looks like Chinese Noodles.

WELCOME

On behalf of the Associated Students I wish to welcome all freshmen and new students to Humboldt State. I am looking forward to a very active year at Humboldt, a year during which every member of the student body will cooperate to insure topnotch success in all student activities.

I wish to urge every student to be prompt at class meetings and student body meetings. Be active in college affairs. Have a lot of fun. Make friends. Be free to ask any student body officer or faculty member for advice at any time. No friendlier or more democratic

NOTICES

The Drill Team meets Tuesday and Thursday noons at 12:15 sharp. We need more members. We need the freshman girls to be represented in the team. We want to have 32 members.

The Drill Team costume will consist of white skirts and blouses with blue and red neckerchiefs. (Signed)

Margaret Monroe,
Drill Mistress.

More men wanted for the college chorus!

The men's section practices Wednesday noons at 12:15 and the combined chorus Fridays at 12:15. No special talent or past experience necessary. Join the chorus now. It will prove to be a musical experience you won't forget—Enjoyment guaranteed.

Mu Epsilon Psi, Humboldt's music club, will hold the first regular meeting of the semester tomorrow at 11 A. M., in room K. All old members are urged to attend, and to come early! The program will open with a vocal solo by Jean Schussman. Following Miss Schussman's solo, Jane Mankey will play a piano selection.

There will be a business meeting, and important matters to discuss. All present Mu Epsilon Psi members are urged to attend this meeting.

Out Of The Fog

A. W. S. MIXER

First "rat-race" of the year was held Friday night last in the big gym, and the students PLUS the faculty let their hair down! Prexy Gist and "Pop" Jenkins, left in the middle of the floor during the Pony Express, solved their mutual problem by dancing with each other. —"Spud" Murphy swept many a tired co-ed off her tired feet.—Prexy Gist danced in a "whirl," his one college gal after another tagged him.—"Jeff" Jeffers trailed in La Conga, trying to kick the other leg.

COW BONES

"Now this—ah, students, ah—this is the—ah, bone—of the lower —ah, leg—"So lectured Dr. Jenkins, when in walked Mr. Telonicher, science prof., and informed the startled class that the bone in question was that of a cow. Need we say that the laugh was on the college physician?

IDA THE WAYWARD

No one could have been more non-plussed than Mr. Maurice Hicklin (English prof, when, after locking his car he walked toward the administration building, glanced back, and suddenly perceived his car rolling down college hill. Equally surprised were Dave Williams and Paul Thorn, whose own vehicles suffered dents and more dents for being in the path of the "Major's" car.

DORM DOPE: *****

New students have had their first glimpse of Nelson Hall, and pronounced it "tops." Already, the old trick of sleeping late Sundays to omit meals has been put into practice, and Maddie has already entertained her lads and lassies at her Big Lagoon cabin. Ethel French, freshman from Hawaii, gave an exhibition hula Friday night in true island style. Nelson Hall spells activity, excitement, dorm life, and luxurious surrounding—a valuable cross-section of collegiate experience.

Music Experience

BY WALLACE LOOK

Everyone wants the chance for valuable musical experience. Mr. Jeffers offers such a chance in his chorus organization. Here is a group that everyone can enter. There are no barriers, nor any requirement for talent or previous musical experience. The only necessary duty is that women drop in Mondays at 12:15 noon; men on Wednesdays at 12:15 noon, and both sections on Friday noons.

This fall more of the exalted music of Johan Sebastian Bach will be presented, in the form of the "Coffee Cantata." This performance is scheduled for the first week in December, and will be

As a new experiment, Mr. Jeffers is having the solo parts sung by the whole chorus; thus everyone will know the entire score.

Next spring, the chorus and orchestra will present the brilliant rhythms of the modern English composition "The Rio Grande," by Lambert.

Lumberjacks Have Scrimmage Game In Albee Stadium

Pushing forward all the while with a hard hitting offensive, the first string defeated the second string 20-0 in the public scrimmage held last Saturday night at Albee Stadium at 7 o'clock.

Although they went down before the steamroller, the second string was glorious in their defeat. Near the end of the scrimmage, they started a "march to beat the regulars' goal. Featuring short bullet passes and good blocking, number two team advanced until a short pass was intercepted by a regular, and the score was advanced a few seconds later by another varsity touchdown.

Weaving and dodging through the reserves, Billy Lee and Len Longholm gained a good portion of yardage for the first team. Bob Parris' short bullet passes showed well for the second stringers, while Art McGrath did his share of the receiving for the first string.

The team that was on the offensive always had the advice of Coach Hoos, who served as a counselor and carried the plays with him on a pad. From the brand of ball shown the public in this demonstration, it is evident that a small, efficient force of footballers has been built by Hoos to combat our grid enemies.

fall. The Stanford fellowship has made it possible for Mr. Karshner to study intimately the speech problems of college students.

His undergraduate work was done at Washington State College, Pullman, Washington, during which time he was very active in extra-curricular activities, having been senior football manager, president of the student athletic manager's council, and a member of Men's Big Five, senior honorary.

He has had valuable teaching experience in the high schools of Aberdeen and Seattle, Washington. At Queen Anne High School, Seattle, he taught English and Speech and directed a high school vaudeville show, school plays and operetta.

EUROPEAN TOUR

During summers Mr. Karshner has fitted himself for a variety of other experiences. One summer it was his privilege to be assistant director of a European tour, taking six boys abroad. This, among other things, has enabled him to have a fine understanding of the problems and personalities of youth.

Mr. Karshner comes to Humboldt highly recommended in the field of speech arts. A special emphasis will be made in the direction of clinical speech work in the college.

Mrs. Karshner, too, is much interested in play production having been engaged in that work the past year. Her brother, Edgar Buchanan, actor by profession, recently played in "Arizona" and "Penny Serenade." Mrs. Karshner is a graduate of the University of Oregon where she was president of the Associated Women Students.

Karshner Chooses "Bachelor Born" As First Play

"Bachelor Born," a comedy by Ian Hay, will be the first dramatic presentation of the new season at Humboldt State College. This play of life in an English boys' school will be presented in mid-November under the direction of Don W. Karshner, new head of Humboldt's speech and drama department.

Costs will probably be completed by the end of this week and first rehearsal will begin next week. Besides the two performances of "Bachelor Born" to be given in the college auditorium, there will be a performance at San Francisco State College as part of the annual play festivals in which the two schools take part.

Karshner is planning an ambitious program of drama for the year. In January an evening of one-act plays will be presented, and two other dramatic events—one in March and one in May—will also be given. The latter may be experimental productions. Karshner is interested in the possibility of presenting a student-written variety show on one of those dates.

Nelson Hall Has Twenty-Seven In Women's Unit

The opening of the Fall semester at Humboldt finds twenty-seven women residing in the Women's Unit at Nelson Hall. Miss Imogene Plat, head resident, has announced their names as follows:

Annual Frosh Round-Up Held In Inner Court

On Wednesday, September 17, the Freshmen gathered in the inner court for the annual Frosh Round-Up. President Gist and other members of the faculty gave speeches of welcome, while a luncheon of hot dogs and milk was served to the new students.

Miss Helen Garvin of the Music department and yell leader Bill Hutchison led the students in the traditional Humboldt songs and yells. After dessert, faculty and

NO HAZING THIS YEAR

By THURSTON WOMACK

Soon the Freshman Initiation will be held. It can be a day of fun and go a long way in putting the Freshmen wise to the ways of college life and making them feel welcome to Humboldt. Also it can be a destructive thing, causing physical injury and ill feeling.

President Gist has officially announced that there will be no hazing this year.

What was once considered the "smart" thing to do has been outlawed by colleges and universities all over the country. Hazing is no longer considered the adult, collegiate thing to do. By mature and straight-thinking college men and women it is considered childish and high-schoolish. More constructive and more fun are the "Sadie Hawkins Day" and "Old Clothes Day" that colleges are now making annual affairs. These "Days" make better relations between the students. Fun with a purpose is the intelligent way to enjoy oneself. The Freshman Initiation is intended for a good time for all—the Freshmen too.

Last year Humboldt decided to adopt this sensible approach. It decided that hazing was passé, that good fun need not be sacrificed by eliminating physical injury, that the Freshman Initiation would make Humboldt, "The Friendly School," an even more friendly school.

Hazing has become such a serious problem that the state has

provided punishments in the State which reads as follows:

School Code, Article V, page 3, "Whoever being a student, or being a person in attendance at freshmen joined hands for the usual "Jump Jim Crow" dance, which is done every year at the Frosh Round-up. The Round-up was concluded with the singing of the Alma Mater.

Nineteen Co-eds Aid Ticket Drive

Aiding Humboldt State's football season ticket sale drive are nineteen co-eds, who have contacted merchants in Eureka, Fortuna, Scotia and Arcata.

Dorothy Hunt, Sadie Ranta and Juanita Kennedy contacted Arcata merchants yesterday, while Pat Patterson contacted Fortuna business men and Lala Grove did the same in Scotia.

Girls who contacted the Eureka business men are:

Pat Dillon, Marjorie Cloney, Frances Prather, Doris Hansen, Vivian Nelson, Nadine Swan, Marilyn Brown, Alta Fulton, Lucille Carroll, Barbara Bird, Mary Achesson, Jean Bolger, Nadine Vann and Barbara Heasman.

Advance reports on the ticket drive are very encouraging. All students are urged to follow the example set for them by the co-eds.

any public, private, parochial, or military school, college or other educational institution, conspires to haze or engage in hazing or commit any act that injures, degrades or disgraces, or tends to injure, degrade or disgrace an fellow students or person attending such institution, shall be guilty of a misdemeanor, and upon conviction shall be fined not less than fifty, nor more than five hundred dollars, or imprisoned in the county jail not more than six months, or both."

The state legislature is at present considering a bill which goes even further in outlawing hazing.

Humboldt Staters need only to use their common sense and good judgement to avoid any serious consequences of the Freshman Initiation.

President Gist states that the "brawl" will undoubtedly be limited to one hour this year. The date will be announced later.

COACH HOOS
INTERVIEWED

BY DON HURST

"Sure, I'll be glad to answer a few questions," replied a well-built, smiling man, our Coach Hoos, when asked for an interview in the gym, last Friday.

"In our first game with S. F. State I would say," Coach Hoos advised cautiously, "that we will have no trouble holding our own with the boys from the south. This game will be a toss-up between the two teams."

"My ambition will be to build in every sport I coach an A-1, championship team."

The story of Coach Hoos' school life is one that seems to have come out of a book, so filled is it with honors and awards.

Earl Hoos attended Commerce High School in San Francisco, and there qualified for the desirable life membership in the California Scholarship Society. He was president of Commerce High Student Body of 2400 members, a member of the student executive council, president of the scholarship society, played in the school orchestra, and belonged to the mathematics club of the school. In addition to all this he played three years of varsity football and one year of basketball.

In attendance at Stanford University after his graduation from Commerce High, Hoos qualified for the student aid scholarship, the Alumni Scholarship, membership in the exclusive Phi Delta Kappa honorary scholarship fraternity, and the Varsity "S" Scholarship. At the same time he played one year of football on the freshman and three years on the varsity squad.

He was captain of the eleven in 1936, and was awarded the first annual Culver citation for being the "most valuable player" on the team in the year of his captaincy.

Hoos coached last year at San Luis Obispo Junior College and can be depended upon to make Humboldt one of the leaders in California State College football this season.

Student body president Forrest Waters appointed Helen Hartsook as publisher of the "Humboldt Gridiron," official football magazine, following the resignation of Fred Slack at the close of last semester, in June. Fred Slack resigned after he was elected as a member of the Board of Control. The student body constitution now permits no one on the Executive Council to hold an student body position for which they are paid out of the Associated Students' funds.

Wallace Look is working with Miss Hartsook as associate publisher, and Rod Belcher will again edit the publication. Belcher is widely known in Humboldt county for his outstanding ability as a sports writer.

:-: TIMBER LINES :-:

BY DON HURST

From an HSC fans point of view this should be one of the season's best games. It is the trial of a new coach and may be the trial of an entirely new system of play! There will also be many familiar faces and names in the lineup, namely: Billy Lee, Harvey Del Fatti, Len Longholm, Ernie Caro, Monty Montgomery, Arlo Murray, Art McGrath, Paul Thorn, and others.

I mentioned something about the trial of a new coach. Well, I will go even farther and say that this is the test of a coach that has promised, "Every man on the team will be tough and in the best of condition when Humboldt State meets S. F. State here, and each man is going to work hard!" We all know, from talking to various players, that Coach Hoos has made his team tough and rugged, and that if we should lose it won't be because of the softness of our boys!

"Behind the eight ball" is a familiar expression to all of us, but "in front of the eye ball" should be a new one to most of your vocabularies. Regardless, the men in the backfield this year to keep in front of the eye ball are Billy Lee and Len Longholm. Don't let me say, "I told you so!"

Some of the players on our team this year are fresh out of high schools and bear considerable watching both now and in the future. Notables are Bill McMillan, Bob Parris, Lee Briggs, and Jack Piersall. These are our veterans-to-be.

Better rush right down to your

neighborhood whatever-it-is station and scoop up a football schedule—and take a look, for there it is—yep!—our schedule. And while reading it and figuring how much we'll beat every opponent, why not look over the list of referee's signals and know what you're moaning about this year. You might be wrong! Then whose face would be red? Not mine!

Coach Hoos likes, and believes in, double wingback formations with variations, and has also given the "T" formation a great deal of consideration. Put that on your list of football "must find outs."

NOT TO CHANGE THE
SUBJECT BUT—

Just because your name in McTavish don't be scotch and not purchase a GRIDIRON at all the games. These booklets contain a wealth of information including both team rosters. C'mon, be a sport and buy a GRID menu so you'll know what's cookin'! And by the way, it's the only 16 page football magazine on the west coast with the exception of the Cal-Stanford programs printed at big game times.

Add to all the other things you must do to the fact that we are going to do our 200 per cent of the cheering at the game to help the team along, and then realize that there are only three types of students at HSC. The kind that won't root, the kind that don't care, and the MAJORITY!!

Hunters Warned Of
Forest Fire Danger

San Francisco, September 19—Deer and bird hunters were requested by Forest Service fire control headquarters here today to help maintain the season's exceptional, forest fire prevention record.

"So far this year," said Regional Forester S. B. Show, "the national forests of California have had less than two-thirds the number of man-caused fires for the same period last year."

S. F. STATE
IS FIRST
GRID RIVAL

Old-time grid rivals will meet again Saturday night when the Humboldt Lumberjacks and San Francisco State open the HSC football season in Albee Stadium.

This game will be the first for the Lumberjacks under their new coach, Earl Hoos. The "Hoos Line" will have lettermen in every position, while Bill Lee and Len Longholm, seniors, are the experienced men in the backfield. They will hold down the quarter and full back positions respectively.

Three new faces, Jack Piersall, Lee "Red" Briggs, and Herb McCain are battling for the vacated half-back positions. The backfield is composed of light, speedy men, typical of Humboldt backfields in the past.

Last Saturday, September 20th, San Francisco State dropped a close game to San Francisco Junior College by a 7-6 score. It was San Francisco's first game of the season.

Humboldt's probable starting line-up is as follows:

Art McGrath, L. E.
Harvey Del Fatti, L. T.
Arlo Murray, LG.
Ernie Caro, C.
Loy Montgomery, RG.
Dick Fitzpatrick, RT.
Fred Iten, RE.
